Tour Information Packet

Dear Eurotech Soccer World Traveller:

Eurotech Sports Tours, the Sports Travel International Network and its representatives are ready to make your international soccer tour an adventure everyone will remember and cherish for a long, long time!

The world is full of contrasting continents. You'll see castles and modern cities; you'll hear foreign tongues and English spoken with unaccustomed accents. You'll eat new foods and pass familiar fast food franchises. You will find yourself part of the international soccer community but you'll see and learn things about the game you never dreamed existed.

It's difficult to speak of a single "international sports experience". The world consists of many different people and cultures; even within a single country there are enough variations in geography, customs, and lifestyles to fill a book.

Of course, this is not a book. It is simply a basic guide to help you prepare for your upcoming international soccer trip. I have tried to provide some of the basic information to help you prepare for your upcoming tour and those questions that most participants face in these early planning stages. I suggest you take the time to read it in full now, and refer to it often as you prepare for departure, and while overseas.

It was designed so that you can email it to as many family members or supporters as needed. Good luck and enjoy your trip!

Best Wishes,

Jim Risher

National Travel Director

Tour Fundraising Program

We have an excellent 3-Step Tour Fundraising Program that is used by many of our travellers who are looking to raise bigger money with less effort:

STEP 1 – Eurotech Tour Deposit - \$500

Lock in your tour dates, accommodations, air and exchange rates with a \$300 deposit per person to get things kick started...this can come from other planned fundraising efforts...then...

STEP 2 – Reaching Our Goal Fundraising Program - \$1000 Fundraising Dollars Earned

Get this EASY fundraising program (www.reachingourgoal.com) started right away utilizing their patented online donation system – this program can be done in 2 waves to maximize dollars – once in the fall and once in the spring – the best part of this program is that it is the easiest, most efficient way to raise BIG money in a short period of time and it is now on auto –pilot as you move on to Step 3...EASIEST...20 friends, family/relatives, businesses donating average \$50 each and you are at \$1000! Do this once in the fall and once in the spring to increase your donations!

STEP 3 – ESPN Fundraising - \$1000 Fundraising Dollars Earned

Go to <https://proxy.espn.go.com/coaches/index> for the overview and plan. Excellent program - each

player sells 33 subscriptions as gifts and they earn \$30 per subscription or \$990 towards the cost of the tour...in our opinion must be done in November/December for the Christmas Holiday Gift push to women who are looking for the perfect gift for brothers, dads, sports fans, etc...33 sales is all it takes per player! EASY....

P.S. – We also have an informal Tour Fundraising Guide for your review upon request. These are just some creative ideas that some of our other groups have used throughout the years and can be used in conjunction with other fundraising efforts that your group is already involved in. I hope this information helps out as you plan your International Tour – please feel free to let us know of any other specific fundraising questions you may encounter as you go through the planning process!
